15g whey protein

Suitable for vegetarians

No added sugar (80 Cal)

What are the key ingredients?

Whey Protein and Coffee Powder sourced from Robusta Espresso Coffee Beans. Robusta beans are sourced from Brazil.

How does it benefit you?

- 100% Robusta espresso coffee beans for an authentic coffee taste with 80mg caffeine.
- Protein contributes to the growth and maintenance of muscle mass.
- Low in fat without GM ingredients, contains no colours or preservatives, has no added sugar and is suitable for vegetarians.
- High Protein Iced Coffee is made using a naturally sourced sweetener (Stevia).

How do I take it?

High Protein Iced Coffee can be enjoyed at home or on the-go as a treat when you need it most. It's perfect as an early morning or mid-afternoon drink.

Fill your shaker with 320ml cold water. Add approximately 2 scoops of High Protein Iced Coffee. Shake and pour over ice. If you don't have a shaker, blend on low speed.

Enjoy this product within a balanced and varied diet, as part of a healthy, active lifestyle.

Who is it suitable for?

- The two flavours offer an energising option for those new to coffee and coffee lovers alike.
- Those who are looking for a healthy snack with high protein and no added sugar.
- Snack alternative: Provides a delicious tasty treat, morning or afternoon.
